## In Accord

Join us this week on In Accord for an update from the office and a report on a recent trip to Bogota, Colombia by COGWA president, Jim Franks and his wife Sharron, along with Leon and Reba Walker. During the trip Mr. Franks interviewed the local pastor, Eduardo Hernandez and his wife Maria. Tune in and learn about the history of the Church in this region of South America, including the countries of Colombia, Venezuela and Ecuador. It was in 1974 that the first minister from the Worldwide Church of God visited prospective members in Colombia and in 1978 the first congregation was established in Bogota.
