Sabbath School - Today

Sabbath School Level 4 will meet in **Room 3** at 1:45pm.

After Church Club - Today

The After Church Club will meet today immediately after services in the nursery for all 3-7 year olds who would like to attend.

Feast Registration Ends - Tomorrow

For those who have just begun to attend with us or who, for some other reason, were not able to register during the initial online registration period, we have again opened online registration at feast.cogwa.org. This second registration period will end 11:59 p.m. tomorrow. If you have not yet registered for the Feast site you plan to attend, we ask that you please make time to do so immediately.

Unleavened Bread Cookbook - Aug 31

REMINDER - Don't put those recipes away yet! The Houston North Teens are collecting recipes for a cookbook to go on sale just in time for the Days of Unleavened Bread 2015. We are looking for your favorite recipes for Breads, Desserts, Appetizers, and Main Dishes that make these days a special occasion in your home. Electronic recipes may be sent to Helen Casey at: hcasey@consolidated.net and hard copies may be turned in to the Recipe Box at the Information Table. *The recipe submittal deadline has been extended through Aug 31st.*

Men's Club - 2014/2015

It is time once again to sign up for the 2014-2015 Men's Club. The format will be the same as last year with monthly meetings beginning at 12 Noon. The club provides an opportunity for masculine fellowship and Christian growth and development. Enrollment is open to anyone who has graduated from the teen program and previous speaking experience is not necessary. Please sign the list on the Information Table.

FDA Recall

On August 19, the FDA issued a press release regarding various nut butters which may be contaminated with Salmonella. A list of the products by name, UPC code, and date range is available on the Information Table.

Feast Youth Lessons

Many of you have downloaded the Church's family-based children's Feast lessons and used them to teach your children the meaning of God's Feasts (<http://feast.cogwa.org/cyi/>). These lessons will be available again this year. As a supplement to these outstanding resources, some (but not all) of our U.S. Feast sites will be offering two classroom-style Feast lessons for elementary school-aged children during the Feast this year. There will be two classes for those in grades K through 2, and two classes for those in grades 3 through 5.

The classes will cover the two trees of the Garden of Eden and how the world will change during the Millennium when everyone will be able to eat of the tree of life. Look for the "Festival Youth Instruction" announcement on the COGWA Feast page of the site you will attend, to see if they will be offered there. We look forward to our children benefiting from this time with others their own age, learning lessons from God's Word.

Happy Anniversary!

Marc & Amanda Croft will be celebrating 6 years on Aug 31!

In Accord

This week on In Accord, COGWA's operation manager for Ministerial Services, Doug Horchak, gives an update on his recent trip to Africa. The FOI English project conducted in Zambia and Zimbabwe with four volunteer teachers was a great success. In each of the countries he and his wife visited (Zambia, Zimbabwe and South Africa) conferences were conducted with the local leadership and ministry. In so doing, videos from most of the presentations of the U.S. regional conferences were shown, along with live presentations and discussions with the leadership in each of these countries. Mr. Horchak thanked the leaders and servants in those and other countries around the world that care for God's people throughout His Church. The update ends with special music provided by the women in the rural congregation of Gokwe, Zimbabwe, singing of a time in the future when we will all be together in the Kingdom and family of God.
